

TAMPEREEN TEKNILLINEN YLIOPISTO

TAMPERE UNIVERSITY OF TECHNOLOGY
PROJECT MANAGEMENT TRAINING

DIPLOMA

It is hereby certified that

Sergey Andreev

has completed the training programme titled 'Project Management for New Project Managers' at Tampere University of Technology

in 2016

The training programme has been especially intended for new project managers and has consisted of five modules lasting a total of 15 hours. The programme introduced the participants to the basics of project management, such as the preparations for a project, potential funding opportunities, legal and contractual matters, the management of project finances, and the principles governing project communications, the results and commercial exploitation thereof, reports and records management.

In Tampere, Finland, on 23.11.2016
